

**MENA**  
direct

MENA Direct Ltd is a small, independent, advisory and services company. It was founded primarily to identify, assist & support international clients before and after entering the UK.

## ...your DIRECT gateway to the UK

MENA Direct acts as advisors and managers for clients investing into the UK.

Whether you are investing in land, property, business, shares, art, antiques or classic cars, MENA Direct has extensive knowledge and skills in international business, property and portfolio management to help and support individuals and companies, and we have a strong network of contacts to provide clients with effective support and assistance in the following areas:

- To represent individuals and companies in the UK
- To manage and build client portfolios
- Assistance in obtaining visas and establishing residency
- Setting up companies and ensuring effective management
- Translation and interpreting support
- Marketing research to find UK, EU or International business partners
- Setting up a London office base
- Assistance with import and export activities
- Support for future business operations
- Accounting, legal and insurance support

Entering the UK without effective due diligence, advice & support is very challenging, costly and time-consuming.
